A classic color story, navy is trending in the home. Whether the look is sophisticated and timeless or modern and edgy, navy is an incredible accent neutral color that blends perfectly with white, gray and taupe in both traditional, transition and modern styles.

indigold

Do you know what pairs perfectly with navy and indigo? Glorious gold. Warm tones of gold and orangey warm yellows are opposite on the color wheel, and when paired together, create a unified and bold look. We're loving how designers and artists are combining these gorgeous colors into stunning collections of wall decor that add instant impact to every space imaginable.

modern landscapes

Bold brushstrokes. Imaginative use of color. Textured canvas. Painterly compositions. These are the components that make up modern landscapes. Our painters are creating new collections of luscious landscapes that feel modern and traditional at the same time. Try landscapes in unexpected places like bathrooms and kitchens, smaller scale in gallery walls or large and bold in living rooms.

When the viewer engages with a Cheryl Warrick painting, they are seeing more than art. They are experiencing a journey of wisdom where the artist asks the viewer "to look deeper and find a meaning that uplifts the spirit and engages the mind." A mixed media artist, Cheryl is celebrated for her quilt-like paintings that incorporate symbols, archetypes and landscapes. A painter, printmaker and illustrator for over 20 years, her paintings are found in over 50 corporate and museum collections around the world.

PAMELA MUNGER

**pamela
munger**

Pamela Munger grew up in southern California and now calls rural western Colorado home. The big sky, mountains and seasons are a constant inspiration for her. "Painting is a lifeline, combining creativity, solitude and limitless possibilities. I'm all about experimentation with paint, surfaces and subject matter. I like to keep it simple, avoiding detail and not giving away the whole story."

Pamela started painting as a creative outlet for her work as an English teacher, which soon grew to a passion. She paints with acrylics, using brushes and palette knives. Pamela and her husband co-own Misty Mountain Hop Farm and she paints full time. If she isn't enjoying the outdoors, you'll find her at her easel.

Mercedes Lopez Charro lives on the beautiful Mediterranean coast of Spain where palm trees grow, vintage cars are seen daily on the school run and the streets are dotted with high-end boutiques. Sketching and doodling for as long as she can remember, her doodles have now become refined illustrations, sold as prints around the world. Trained as a graphic designer, Mercedes uses watercolor and pen and ink to create her colorful illustrations. When she is not drawing or painting, she can be found enjoying life with her English husband, and son Ollie.
